Book 2 of the Feline Breeds

He had protected her as a child, filled all her teenaged fantasies and stole her womanly heart, only to break it. Now, fifteen months later, the news has released. The man she loves is one of the genetically altered Feline Breeds who have shocked the world with their presence. He's also her mate. The mark on her neck attests to that. The fire that rages in her heart and in her body further proves it. But he hadn't wanted her then.

Does he really want her now? Deceit and treachery born in the past, now haunt the present as Taber and Roni fight to make sense of their sudden bonding, the mating of heart, body and soul. Taber must battle the forces raging against his union with the woman he has claimed as the man and beast within begin to merge.
