In a generation that has seen an explosion in popularity of books about mystical and meditative traditions, very little has been published about the rich and fascinating mystical traditions of the Jewish holy days. Passover, the first religious holiday of the Jewish people, particularly rewards a re-viewing from a mystical perspective. *A Mystical Haggadah* takes readers through the Passover ritual with Kabbalistic meditations and affirmations in a friendly, accessible format. This Haggadah also includes many Hassidic teachings and stories that have never been presented to the English reading audience. The book is especially valuable for its transliterations of all the major prayers and rituals, and is refreshing in its creative and spiritually-based adaptation and translation of the primary Haggadah text.

*A Mystical Haggadah* is for all spiritual seekers who wish to explore this root tradition of Judaism as a ritual of cosmic importance. The book is also for Jewish seekers of all denominations who wish to explore the mystical, meditative, and empowering aspects of Jewish traditions as seen through the rich and meaningful Passover eve Seder ritual.
