## **At Leo's Command (The Institute Series Book 4)** Emily Tilton

When twenty-three-year-old Kristen Harper peeks through a window and witnesses a man giving a woman a bare-bottom spanking, the sight ignites desires she has ignored for too long. After Kristen sees the same man get into a van with a company's logo, she calls the company to make an appointment, hoping to experience for herself what she glimpsed in the window.

The man turns out to be Leo Hastert, one of the top trainers at the Institute, a place dedicated to giving women like Kristen exactly what they need. After her call, Leo visits Kristen's home, spans her long and hard, and takes her in all the ways she's longed for a man to have her. Everything is perfect... until Leo informs Kristen that she can't be his. What he can do for her, though, is take her to the Institute, where she will be fully trained as a submissive.

Kristen volunteers for the Institute, but she's not ready to say goodbye to Leo, and as her training continues he is stunned by his intense and growing feelings for her as well. Can Leo stay professional and play his role in Kristen's training, or will he decide that having Kristen as his own is worth any price?
