What amount of time do we as individuals, spouses, bosses, teachers, parents, children spend blaming others and events for things that don't go the way we want? How much time do we waste every day, every year, in a life time placing blame? Five years from now, which of the following decisions will you wish you had made today? Continue to... (1) blame other persons OR get over it? (2) blame your past OR build your future? (3) blame your weaknesses and fears or use your strength? (4) blame the outer world, or develop your inner confidence? (5) blame reality or accept what is? (6) blame people at home and work or encourage them? (6) blame that huge challenge in front of you or conquer it? Well, on average we only have 2,500,000,000 seconds (that's two and one half billion seconds) of life to live! How do you want to spend that precious time? Blaming or Living? Let Dr. Lewis Losoncy, known as the "Dr. of Encouragement," show you ways of overcoming the need to blame and take control of your life. Whatever you do, no matter what else happens in your life, 5 years from now will arrive. What will you have decided today that saves you time in the future...and actually helps add valuable time to your life?!
