Erik Martínez

Museo de antropología (Spanish Edition) Erik Martínez

Museo de antropología es obra de Erik Martínez, talentoso y prolífico escritor mexicano que vive y trabaja entre la ciudad de México y Toronto. Su primera novela para Editorial Resistencia, *Las Virtudes Capitales*, (2008), es objeto de una tesis doctoral realizada por profesores y estudiantes del Departamento de español de la Universidad de Toronto acerca de la evolución del español a través del tiempo, enfocado principalmente en la era contemporánea. Entrar a este museo es adentrarse en un lugar de paisajes oníricos, un mundo que se parece mucho a todos los lugares y, a veces, a nuestro país, ese que Erik lleva adentro. Erik Martínez, además, sigue construyendo ese novedoso lenguaje que lo caracteriza y que nos permite saber que sus personajes están ahí; amando, viajando, viviendo y como sucede de forma maravillosa en los sueños, de pronto y sin aviso podrán metamorfosearse en hombres, mujeres, mariposas, nubes... Personajes que se quedarán como esos rostros soñados que siempre llevamos en el alma esperando encontrarlos en la vida real. Por supuesto, esas y otras maravillas encontrarán en este museo, pero eso les toca descubrirlo a ustedes, los lectores.
