José Guerra

Regimenes Monetarios, Politica Monetaria E Inflacion En Venezuela José Guerra

En poco más de 100 páginas y en un formato amigable, José Guerra analiza la trayectoria de la inflación en Venezuela desde la creación del Banco Central de Venezuela hasta 2010. En "Regímenes monetarios, política monetaria e inflación en Venezuela" se evalúa la relación entre el comportamiento de la inflación y los distintos regímenes monetarios que ha tenido el país. Para Guerra, la evidencia estadística apoya la tesis de que a partir de 1983, cuando se abandona el esquema de tipo de cambio fijo, la tasa de inflación registra un cambio de tendencia, al tiempo que se hace más volátil. Asimismo, la política económica aplicada entre 1983 y 2010 ha exacerbado la inestabilidad y ello le ha conferido un marcado sesgo inflacionario a la economía venezolana.
