The Ancient Texts of the New Testament J. Van Bruggen

By J. van Bruggen

In his *The Ancient Text of the New Testament*, Professor van Bruggen deals with the confusion surrounding the text of the New Testament. Since 1881 (Revised Version), most new translations follow another type of Greek text than was followed in the older Bible translations (e.g. King James Version). However, this does not mean that there is unanimity regarding the correct text. On the contrary, in the newer translations many changes occur because the science of New Testament textual criticism continually arrives at different conclusions.
