**The Sect of the Assassins: "Nothing is True, Everything is Permitted."** Cyril Glasse

When the Crusaders came to Syria they stumbled into Ali Baba's cave. It belonged to the "Old Man of the Mountain" and the sect of the Assassins. To protect their new kingdom the Crusaders built castles as taught by their own enemy. The Assassins also infiltrated the Crusaders themselves and taught them how to indoctrinate lay members into the orders of knights. The Assassins through the Templars created the Masons and are the model for the Illuminati and for modern terrorism. These are their secrets, their "Feast of the Resurrection," and their story until the Mongols destroyed their chief castle in Persia Alamut, the nest of the "Eagle Teaching."
