Ad Executive Eric Chapman loses a major client and a bundle in potential revenues when an explicit photo of a woman in leather wielding a whip pops up on the screen during an important sales pitch. Some detective work reveals that Jessie Ramos, his office manager by day, is actually running an S&M porn site from Eric's office warehouse by night. Jessie will find out she's messed with the wrong man. Eric has a few dirty secrets of his own, and he knows just how to deal with a thieving little slut like her. In the ensuing confrontation, passions run high and Eric crosses a line from which there is no return. Now Jessie is imprisoned in Eric's basement, his personal sex slave, caged and at his mercy. How far will a man go when no one is witness to his darkest, sadistic impulses? And how far will a woman go in her desperation to escape? Caught is a dark story, not for the faint of heart.
