Espana y su civilizacion Francisco Ugarte, Michael Ugarte, Kathleen McNerney

This text provides an introduction to the history and civilization of Spain. All important cultural and historical information from previous editions has been retained in this new edition, and new information about modern-day political organization and culture has been added. With added emphasis on the regional divisions of Spain and improved treatment of women, this text is an excellent vehicle for introducing intermediate or advanced students to Spanish civilization and culture.
