A one-night stand to remember...

Leah is on the hunt for a little release. She's just finished her first year of pre-med and is desperate to let loose and finally have some fun again.

After a wild night with the cocky, tattoo-covered, leather jacket-wearing Jack, she slips out into the morning, never expecting to see him again.

The following day Leah agrees to join her mother and her mom's new CEO boyfriend for a week at the seaside, and when she's introduced to the CEO—and his sexy, designer suit-clad son—Leah almost drops dead on the spot.

It can't be. That mind-blowing one-night stand is my mom's boyfriend's son?

Now Leah's trapped in a hotel with the cleaned up version of last week's bad boy fling, and their parents have just announced their engagement! The thought of getting physical with her future stepbrother is shocking, but she's finding it harder and harder to resist his penetrating gaze and insistent advances.

Will Leah be capable of erecting the appropriate boundaries? Or will she succumb to Jack's English charm?

This is a stand alone taboo romance.
