Teen Novel Collection - The Fault in Our Stars, Looking for Alaska & The Perks of Being a Wallflower Stephen Chbosky

Teen Novel Collection - Includes 'The Fault in Our Stars', 'Looking for Alaska' and 'The Perks of Being a Wallflower' THE FAULT IN OUR STARS - "I fell in love the way you fall asleep: slowly, then all at once." Despite the tumor-shrinking medical miracle that has bought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a gorgeous plot twist named Augustus Waters suddenly appears at Cancer Kid Support Group, Hazel's story is about to be completely rewritten. Insightful, bold, irreverent, and raw, The Fault in Our Stars is award-winning author John Green's most ambitious and heartbreaking work yet, brilliantly exploring the funny, thrilling, and tragic business of being alive and in love. LOOKING FOR ALASKA - Miles Halter's whole life has been one big non-event until he starts at anything-but-boring Culver Creek Boarding School and meets Alaska Young. Gorgeous, clever, funny, sexy, screwed up and utterly fascinating she pulls Miles into her world, launches him into a new life, and steals his heart. But when tragedy strikes, and Miles comes face-to-face with death he discovers the value of living and loving unconditionally. AFTER: Nothing will ever be the same. Poignant, funny, heartbreaking and compelling, this novel will stay with you forever. THE PERKS OF BEING A WALLFLOWER - Charlie is a freshman. And while he's not the biggest geek in the school, he is by no means popular. Shy, introspective, intelligent beyond his years yet socially awkward, he is a wallflower, caught between trying to live his life and trying to run from it. The Perks of Being a Wallflower is a deeply affecting coming-of-age story that will spirit you back to those wild and poignant roller-coaster days known as growing up.
